Small-to-Mid-Sized Business Owners Can Benefit From An Objective Business Analysis  
by Greater Prairie Business Consulting, Inc. -

**[Irving, Texas]:** James J. Talerico, Jr., a nationally recognized small business expert and the CEO & Founder of Greater Prairie Business Consulting, Inc., who has consulted with literally thousands of small-to-mid-sized businesses over the last 30 years, utilizes a comprehensive business analysis that checks over 275 different qualitative and quantitative aspects of a business and provides small-to-mid-sized business owners with an objective, 3<sup>rd</sup> party review and a detailed findings report of where the business owner can improve. Because Mr. Talerico has worked with many of the fastest growing privately held businesses in the U.S., he can share the best practices of the top performers in many different industries.

His company's *Performance Potential Indicator (PPI) Scorecard*™, moreover, assesses important areas of a business that most business analysts overlook, and provides a unique look at a small-to-mid-sized business that most of his competitors cannot match.

Mr. Talerico helps small-to-mid-sized business owners improve their businesses by identifying the problems these business owners often cannot see and do not know how to fix. "Most businesses do not operate at their potential. When business owners can see these problems and know the solutions, these businesses can exceed the business owners' wildest dreams," he says.

Mr. Talerico asks for no money up front and if he cannot find at least 10 times the cost of the business analysis there is no cost. He also has considerable expertise helping small-to-mid-sized businesses implemented the needed changes.

Small-to-mid-sized business owners with questions about Greater Prairie Business Consulting, Inc.'s compendious business analysis process are encouraged to contact James J. Talerico, Jr. at 1-800-828-7585 for a free consultation.
